Dear Friends,

It will be 7 years in November since I came to St Margaret's as I was ordained and inducted on 20<sup>th</sup> November 2014. Where has the time gone!

I have really appreciated working alongside others to minister and build relationships within the church family and in the wider community. It has been wonderful to see the progress that has been made as small teams have worked together to fulfil our mission statement.

I had been thinking about a move at the beginning of last year but when the pandemic struck, it seemed right to stay where I was and to help navigate the way through all the changes. I am really pleased that we have managed to adapt and find creative ways to be church during the past 13 months.

However, I recognise that it is now time for me to move on to new challenges and I gave notice on Sunday 18<sup>th</sup> April that my last Sunday at St Margaret's will be Sunday, 27<sup>th</sup> June. I know that for some, this may be unexpected news and it will take time to process how you feel about it and the implications for the church. Please do not hesitate to contact me if you want to have a chat.

For me, I will take a little time to consider where God is calling me next and, in the meantime, Geoff and I will move back to Burntisland. It is not my intention to retire just yet, but it will be good to take some time to enjoy our four grandchildren who were all born during my years in ministry at St Margaret's!

Yours in Christ,

Eileen
